## **Langlais Group to offer lighting design services to architects, kitchen and bath designers, interior designers, and landscape professionals.**

Emily Gorecki to head up the new Lighting Design Services Division

**South Windsor, Connecticut:** The Langlais Group announced today the hiring of Emily Gorecki to provide additional design expertise for their clientele. Ms. Gorecki has a Bachelor of Arts in Interior Design from the University of New Haven and started her career working with Conceptual Lighting LLC, then transitioned to Applications Engineer with the manufacturer The Lighting Quotient (formerly elliptipar), and then to design firm Atelier Ten – all well-respected companies located in and around New Haven County, Connecticut. “Emily gives us an expanded lighting design capability”, offered Skip Popiak, President of Langlais Group. “Emily provides us the opportunity to design, spec, and estimate all in one presentation. That really streamlines the process.”

Ms. Gorecki is also a part of Jan Moyer’s International Landscape Lighting Institute mentor staff and currently works as an Adjunct Professor at the University of New Haven – teaching Lighting Design and Specification for the Interior Design Program. Gorecki’ will be reaching out to the design community with emphasis on lighting designs, calculations, fixture schedules and lighting specifications for residential interiors, landscape, kitchen and bath, industrial and commercial projects.

To make an appointment contact the Langlais Group at 860-648-2372.
