ILP is excited to announce that we have acquired the assets of Envirobrite (aka Energy Planning Associates) and are relaunching the brand under ILP effective immediately.

Envirobrite is a 24-year-old manufacturer that specialized in reflectors, brackets, and energy efficient luminaires.

All Agents currently representing the ILP brand of products will now have the ability to sell the Envirobrite line of products effective immediately.

To place orders and receive more information regarding the Envirobrite brand of products please contact Muhammad Adam at 321-257-4576 or muhammad@ilp-inc.com. Additional updates to the ILP website will be coming soon.

About ILP Holdings:

ILP is an innovative manufacturer of energy-efficient luminaries and retrofit solutions with over 14 years of experience supporting builders and retrofitters with green building initiatives. The company has developed a wide range of LED products to support commercial, industrial, and outdoor applications focused on energy and maintenance savings. ILP is headquartered in Sanford, Florida where it operates its main manufacturing site, and has an additional facility in Reno, Nevada. ILP Holdings also owns Green Creative, a California based manufacturer of LED lamps sources and LED fixtures with offices in San Bruno, CA and Shanghai, China.

Sincerely,
