**SATCO WILL CONFIDENTLY DEFEND AGAINST
SEOUL SEMICONDUCTOR PATENT ASSERTIONS**

BRENTWOOD, NY, April 22, 2019– Brentwood, NY. Satco Products, Inc. respects intellectual property. SATCO takes all intellectual property claims seriously and will defend our products appropriately.

Satco takes pride in its brand and the products that bear its name. SATCO does not take claims against its products lightly and is committed to defeating these allegations in court. SATCO is confident that these asserted claims will be shown to be meritless.

About SATCO Products, Inc. – SATCO is a privately held company established in New York in 1966, manufactures and distributes lighting products internationally. Satco® products include all lamp technologies and electrical accessories. In June of 2005, Satco® established Nuvo Lighting®, its brand of commercial, decorative and functional lighting fixtures.

Today, Satco®/Nuvo® carries over 12,000 products across the lamp, fixtures and components. The company operates its offices and warehouse locations across the United State and Canada. For more information on Satco® and its products, visit www.satco.com
