NAILD Convention to Proceed as Planned

St. Paul, MN - Amid growing concerns about the spread COVID-19, along with cancelations or reschedulings of lighting events around the world, Spencer Miles, President of The National Association of Innovative Lighting Distributors, as well as the association's management and conference organizers would like to announce that The NAILD Convention in Biloxi, MS scheduled for April 19th through the 23rd, will continue as planned.

Please learn more about the event at <https://naild.org/naild-innovation-itinerary/> or register here: <https://naild.org/2020-naild-convention/>
