To: Valued HOMEnhancements Customer  
Subject: Price Increase Announcement

As we begin a new calendar year, let me first thank you for your continued support of HOMEnhancements and to wish you and your family a Happy New Year. As many of you are aware, we all continue to face uncertainties and unusual challenges presented by the global pandemic and economic changes abroad. Unfortunately, like many industries, our suppliers are facing continued raw material shortages and price increases, as well as shipping cost increases and unstable logistics. These cost increases have affected our entire supply chain.

We therefore announce the below:

1. A general price increase of **7.5%** will take effect on **March 15, 2021** and will encompass all HOMEnhancements products. Updated price sheets will be available on March 1, 2021. The last day for the release of orders under the current price structure will be March 12, 2021.
2. All quotes currently held, but not on order, will need to be adjusted by **7.5%**. All new quotes will include the before mentioned increase.

Please know that our purchasing and customer service teams, domestic and abroad, will be diligently working to minimize backorders and logistical delays as best as possible. We remain committed as a company to continue to provide exceptional value and support to you, our valued customer.

Again, thank you for your continued support, and we wish you a healthy and prosperous New Year!

Sincerely,

Carl E. Owens Jr.
