

Valued partners and customers,

CM Buck & Associates is proud to announce that effective June 16, 2021, our organization will be expanding our representation of Cree Lighting, a company of IDEAL Industries, Inc, to include the state of Kentucky. Effective July 1, 2021, Lutron will also appoint our organization to represent the Commercial Specification, Electrical Distribution, Lighting Show-room, and Commercial Integration sales channels in Kentucky..

Our teams are excited to expand two long-time partnerships into the Kentucky market. CM Buck & Associates has represented Cree Lighting since 2007 and brings a wealth of experience selling lighting solutions into key vertical channels, including healthcare and education.

Proudly representing Lutron in Indiana since 2019, CM Buck & Associates continues to provide the highest-level quality sales, technical support, and service to our shared customers to grow the market for all Lutron lighting, controls, and shading solutions. Our experts offer decades of industry knowledge in power, lighting, lighting controls, and OEM solutions.
