

PRESS RELEASE – January 26, 2022

We are pleased to announce the launch of a high energy consulting firm focused on helping manufacturers in the lighting and electrical industry. **The Jump Starters** are six highly experienced executives each with over 20 years of hands-on experience working for world-class organizations. Each team member has a different skill set that they bring to the table.

Does your business suffer from profit problems or margin issues? Are your sales dropping, or is your factory out of sync and struggling to ship on time? The solution is in our toolbox. Our Team has “been there, done that” and no issue is too tough or too complicated. Sometimes all you need is a quick **“jump-start”** to get back on the road to success.

Our cost-effective, “pay by the service” approach delivers a guaranteed financial return on your investment with **The Jump Starters**. We are available **NOW** to roll up our sleeves and jump in to solve issues quickly and efficiently. For more information, go to www.j-starters.com and get the ball rolling for a more profitable 2022.
