Dear Cooper Lighting Solutions Valued Partner,

After six years of serving our Chicago customers together, Cooper Lighting Solutions and Force Partners have jointly decided to amicably conclude our relationship at the end of this year.

Cooper Lighting Solutions has deep roots in the Chicago area, with company headquarters located in the Northwest suburbs from 1956 to 1987, and then relocating to Elk Grove Village from 1987 to 2002. This is a market we consider our “home away from home” and look forward to growing our impact in Chicago in the coming years.

We would like to thank Brian Dauskurdas, Pete Kokuzian, and the entire Force Partners team for their efforts, and wish them continued success in their future endeavors.

Both companies will be announcing future plans in the coming days. In the meantime, Force Partners will continue to represent Cooper Lighting Solutions through December 31, 2022, by continuing to provide its standard business support activities such as providing new quotes, processing orders, supporting all existing orders, etc.

We are proud of our heritage in the Chicago market and are thankful for our customer’s support across the decades. We look forward to continuing to serve this market for years to come.

Should you have any questions, please do not hesitate to contact me at (317) 379-9023.
