To Our Chicago Partners,

After six years of partnership with Cooper Solutions we have jointly decided to amicably conclude our relationship on December 31st.

We would like to thank Kraig Kasler, Joe Melchiors, Eric Jerger and Steve Clark along with their entire Cooper Lighting team and wish them continued success as they explore the market and align with a new partner.

To be respectful of unannounced future changes in the market, both companies will be announcing their future plans in the coming days and weeks. We look forward to when we can announce further details, but until then, it's business as usual, and we'll continue to provide the support and knowledge for Cooper thru the end of the year.

We are extremely grateful for your support over the past six years and we are very proud of the organization we have built to serve this market for many years to come.

Thank you,

Brian & Pete
